General Rules and Directions for the Guidance of Contractors

1. All works proposed for execution by contract will be notified in a form of invitation to tender posted in public places and signed by the authority inviting the tenders.

This form will state the work to be carried out as well as the date for submitting and opening tenders and the time allowed for carrying out the work, also the amount of the earnest money to be deposited with the tender and the amount of security deposit to be deposited by the successful tenderer and the percentage if any. to be deducted from bills. Copies of specifications, drawings and a

Schedule of quantities and rates of the various descriptions of work and any other documents required in connection with the work, signed for the purpose of identification by the authority competent to approve the tender shall also be open for inspection by the contractor at the office of the authority inviting the tenders. During office hours.

2. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof, or in the event of the absence of any partner it must be signed on his behalf by a person holding a power of attorney authorizing him to do so. Such power of attorney should be produced with the tender and it must disclose whether the firm is duly registered under the Indian Partnership Act.

3. Any person who submits a tender shall fill up the usual printed form stating at what rate he is willing to undertake each item of work. Tenders which propose any alteration in the work specified in the said form of invitation to tender or in the time allowed for carrying out the work or which contain any other conditions of any sort will be liable to

rejection, unless there is specific provision in the conditions of the Notice Inviting Tenders e.g in three cover system. No single tender shall include more than one work but contractors who wish to tender for two or more works shall submit a separate tender for each. Tender shall have the name and number of the work to which they refer, written outside the envelope.

4. The authority receiving tenders or his duly authorised assistant, will open tenders in the presence of any attending contractors or his authorized representative, who may be present at the time and will enter the amounts of the several tenders in a comparative statement in a suitable form. Receipts for earnest money will be given to all tenderers except those tenders which are rejected and whose earnest money is refunded on the day the tenders are opened.

5. The Officer competent to decide of the- tenders shall have the right of rejecting all or any of the tenders.

6. The receipt of a clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the Sub-Divisional/Divisional authority and the contractor shall be responsible for seeing that he procures a receipt signed by that authority or any other person duly authorised by him.

7. The memorandum of work tendered for, and the schedule of materials to be supplied by the Public Works Department and their issue rates shall be filled in and completed before the tender form is issued. If a form is issued to an intending tenderer without having been so filled in and completed, he shall request the office to have this done before he completes and delivers his tender.

TENDER FOR WORK

I/We hereby tender for the execution to the Governor of Chhattisgarh of the works specified by in the under written memorandum within the time specified in such memorandum at the rates specified therein and in accordance in all respect with the specifications, designs, drawings, and instructions in writing referred to in rule I hereof and in clause 12 of the annexed conditions, and with such materials as are provided for by and in all other respects in accordance with such conditions so for applicable.

MEMORANDUM

- (a) Name of work (b) Probable amount of Contract
- Rs. (c) Earnest money.....
- (d) Security deposit (including earnest money) (e) Percentage if any to be deducted from bills
- (f) Time allowed for the work from the reckoned date including / excluding rainy season
(from 16th June to 15th October) (deleted which ever is not necessary).

shall be returned back to the tenderer unopened. All other tenders received before the prescribed deadline for receipt of tenders shall be kept in safe custody with the Clerk of the office of Municipal Corporation Bhilai Charoda Executive Engineer (as the case may be) till the prescribed time for opening of tenders.

- 1.10 All manual tenders received after the prescribed deadline shall be returned back unopened after subscribing the following remarks with dated initials by E.E. , Municipal Corporation Bhilai Charoda. "Received late on date.....at..... AM./ P.M. hence not entertained and returned"
- 1.11 NOTES FOR GUIDANCE OF THE DEPARTMENTAL OFFICERS ONLY – **Not Applicable**

1.12 INSTRUCTIONS FOR GUIDANCE OF TENDERERS

The tender will be liable to be rejected out-right, if while submitting it:-

- I) The tenderer proposes any alterations in the work specified, in the time allowed for carrying out the work or any conditions thereof - or
- II) Any of the pages of the tenders removed or replaced - or
- III) In the case of item rate tenders, rates are not entered in figures, and in words and the total of the each item and grand totals are not written by the tenderers in the last column of the schedule of items (Annexure-F under his signature - or
- IV) If erasures without attestation are made by him in the tender - or
- V) If all corrections and conditions and pasted slips are not initialed & dated by the tenderer - or
- VI) If the tenderer or in the case, each partner or any partners so authorised thereof, does not sign or signature/signatures is/are not attested by a witness on page 2 of the tender in the space provided for the purpose - or
- VII) If documents are not filled in ink or by ball pen.

2 . **RATES:**

2.1 The schedule of items: The schedule of all items of work to be executed is enclosed as **Annexure - F**

2.2:Percentage rate tender in form "A"

2.2.1 **In respect of percentage rate tenders:-** contractor should quote his separate tender percentage rate above or below or at par the following schedule of rates.

- (a) Building Work: including water supply & Sanitary fittings - The Schedule of rates issued by **E-in-C PWD. Raipur** in force from **1.1.2015 and amended up to date of issue of N.I.T.**
- (b) Electric works: - The Schedule of rates issued by the **C.G. PWD Raipur SOR** .in force with effect from **15.04.2015** and its amendments issued up to the date of issue of N.I.T.
- (c) ~~National highway works – The Schedule of rates issued by thein force with effect fromand its amendments issued up to the date of issue of N.I.T~~
- (d) Road /Bridge works: - the Schedule of rates issued by the **E-in-c, PWD Raipur** in force with effect from **Road SOR 01.01.2015** and amendments issue up to date of issue of N.I.T.

2.2.2: The percentage of tender above / below or at par with the relevant schedule of rates inclusive of all amendments issued up to the date of the issue of notice inviting tenders should be expressed on the

clause 3.5 of N.I.T. such security shall be increased accordingly at the expense of the successful tenderer up to a limit/level mentioned above.

- 2.4 **Lead and lift of water:** No lead and lift for carting of water will be paid.
- 2.5 **Lead and lift of materials:** No lead and lift for carting of material shall be payable to the contractor except in case of such items for which specific lead and or lift are provided in the Schedule of rates mentioned in clause 2.2.1 of the N.I.T. or in the schedule of items in respect of item rate tender.
- 2.6 **Addition alteration and Non-Schedule items of works:-** During the execution of the work there is likelihood of addition alteration in the items of work and also of such items of work, which do not find place in the Schedule of rates, referred to above in respect of percentage rate contracts (Form "A"), or such items which are not given in the schedule of items in respect of item rate contracts (Form 'B'), for which contractor has not quoted his rates.

Contractor will have to carry out these items of work

- (i) for percentage rate tender (form A) - as provided in clause 13 the conditions of contract
- (ii) for item rate tender (form B) - as provided in clause 13 of the conditions of contract
- However both (i) and (ii) are subject to further condition as below:-
- (a) Variation in the quantities of any item or items as provided in the **Annexure "F"** (Schedule of Quantity/bill quantities) shall be limited as per clause 13 of form "A"

3 Submission of Tender :-

- 3.1 **Earnest money:** -No tender will be considered without the deposit of the specified earnest money which will be returned to the unsuccessful tenderers on the rejection of their tenders, or earlier as may be decided by the competent authority and on production of a certificate ofthat all tender documents have been returned, and will be retained from the successful tenders as part of the security deposit.
- 3.2 **Forms of earnest money :-**
- 3.2.1: The amount of earnest money shall be accepted only in cash at Municipal Corporation Bhilai Charoda treasury or in the form of bank draft payable to Municipal Corporation Bhilai Charoda.
- 3.2.2: The intending tenderers from other state may remit E.M. in the form of the bank draft of any schedule bank payable at par at the head quarter of the Executive Engineer.
- 3.3 **Earnest Money in separate covers:** The earnest money in one of the prescribed forms should be produced / sent separately and not kept in the covers containing the tender and if the earnest money is not found in accordance with the prescribed mode the tender will be returned unopened to the tenderer in case of tenders to be submitted by registered .A.D. or speed post.
- 3.4 **Adjustment of the earnest money:-** Earnest money, which has been deposited for a particular work, will not be adjusted towards the earnest money for another work but can be adjusted (if available) for the same work if tender is recalled and if requested in writing by the tenderer.

3.4.1 Refund of earnest money:

3.4.1. (i): If it is decided on the same day to reject all the tenders, the earnest money of all tenderers shall be refunded immediately after taking decision by the competent authority.

3.4.1.(ii) The earnest money of tenderers whose tenders are rejected shall be refunded .Also in case of the tenderer whose tender is accepted, and /or conveyed after expiry of the validity period ,Earnest money shall be refundable unless validity period extended by the tenderer

3.5 Security Deposit: (a) The Security Deposit shall be recovered from the Running Bills and final bill @ 5%(five) Percent as per clause – I of the agreement read with Para 3.5 of the N.I.T.

(b) The amount of the E.M. shall not be adjusted when value of work done reaches the limit of the amount of Contract or exceeds the probable amount of the contract.

(c) For unbalanced tender rate additional security Deposit shall be deposited as per respective clause of “Special Condition of NIT in percentage rate/item rate tenders.

3.6 Implication of submission of tender: Tenderers are advised to visit site sufficiently in advance of the date fixed for submission of the tenders. A tenderer shall be deemed to have full knowledge of the relevant documents, samples site etc. whether he inspects them or not.

3.7: The submission of a tender by a contractor implies that he has read the notice, conditions of tender and all other contract documents and made himself aware of the standard and procedure, in this respect, laid down in MORTH / I.R.C. Specification/ CPWD Specification /ISI Code for building and electrical works to be done, has thoroughly inspected the quarries with their approaches, site of work, etc., and satisfied himself regarding the suitability and availability of site of work, etc. and satisfied himself regarding the suitability and availability of the materials at the quarries. The responsibility of opening new quarries and construction and maintenance of approaches there to shall lie wholly with the contractor.

3.8 Income Tax Certificate- A tenderer purchasing tender documents for works exceeding Rs. 2 lacs shall submit either

(a) Income Tax clearance certificate issued within 12 months from the date of receipt of tender.

OR

(b) His Income Tax return for the preceding 3 years and where law requires shall submit the audited balance sheet of Profit and Loss Account Statements with auditor's report for the preceding 3 years.

3.10 Relationship: The contractor shall not be permitted to tender for works in the Division (Municipal Corporation Bhilai Charoda) in which his near relative is posted as Accounts officer / Accountant. He shall intimate the name of his near relative working in the Municipal Corporation Bhilai Charoda. He shall also intimate the name of persons who are working with him in any capacity or subsequently employed by Municipal Corporation Bhilai Charoda. Any breach of this condition by the contractor

would render himself liable to be removed from the approved list of contractors of the department.

Note: *By the term near relative is meant wife, husband, parents and son, grandson, brothers, sisters, brother-in-law, father-in-law and mother-in-law.*

3.11 Signature of the tenderer for the works shall be witnessed by another person and signature affixed with his name designation and address in the space provided in the Tender document. Failure to observe this condition can render the tender of the contractor liable to rejection.

4. **Opening and acceptance of tender:**

4.1: **Place and time of opening** : The tenders shall be opened at 11.30 AM or as suitable on the day subsequent to the dead line prescribed for receipt for tenders as per Para 1.1 above by the concerned Executive Engineer in the presence of the tenderer or their duly authorized agents who may choose to attend. The officer authorised to open the tender may depute another officer to open the tender under unavoidable circumstances. If that day happens to be a holiday, then it shall be opened on the immediate next working day at the same time and place.

4.2 **Powers of Officer, receiving tenders**: The officer who opens the tender and for which he is not competent to accept, shall forward the tender to the competent authority through proper administrative channel; with his definite recommendation and enclosing therein all the tenders so received along with a complete set of approved NIT.

4.3: Conditional tender are liable to be rejected

4.4 . **Canvassing**:- Canvassing for support in any form for the acceptance of any tender is strictly prohibited. Any tenderer doing so will render himself liable to penalties which may include removal to of his name from the register of approved contractors or penal action under section-8 of the M.P. Vinirdishtta Bhrasta Acharan Nivaran vidheyak , 1982.

4.5 **Unsealed tenders** : The tenders can be rejected if not properly sealed by wax or by sticking tape, in the case of manual tenders

4.6.: The authority competent to accept a tender reserves the right to accept the tender for the whole work or for a distinct part thereof or by distributing the work between one or more tenderers,

4.7 **Validity of offer**:- Tender shall remain open up to 120 (one hundred twenty) days from the specified deadlines of receipt of tender(s) and in the event of the tenderer withdrawing his offer before the aforesaid date, for any reason whatsoever, earnest money deposited shall be forfeited.

5. **Specifications:-**

5.1 **Brief Specifications**:- A brief note on construction and specification of all the major items of the work is enclosed in **Annexure- E**

5.2 **Material of construction**:- The materials of construction to be used in the work shall be governed by the MORTH /IRC specifications for Rural roads /other IRC publications and their

manual/ latest CPWD specifications/ISI codes for buildings and the relevant Indian standard specification with amendments and revisions issued up to the date of tender notice. Where ever any material has I.S.I. mark such material alone has to be used

5.3 **Workmanship**:- The work shall be carried out according to the specification referred to hereinafter and according to sound engineering practice. The decision of the Executive Engineer, in respect of workmanship will be final.

5.4 **Specification for building work**:- (Including water supply and sanitary fittings.)

Annexure-H
SPECIAL CONDITIONS OF N.I.T.
(Reference Clause 8 of NIT)

(1) "Additional performance security (APS) shall be deposited by the successful bidder at the time of signing of agreement when the bid amount is seriously unbalanced i.e. less than the estimated cost by more than 10%. In such an event the successful bidder will deposit the Additional performance security (APS) to the extent of difference of 90% of the PAC and bid amount in the shape of FDR, in favour of the favour of the E.E. before signing the agreement. The same shall be refunded along with the normal S.D. after completion of the work. If the contractor fails to complete the work or left the work incomplete, this Additional performance security (APS), shall be forfeited by the department, & the agreement shall be terminated and action shall be taken in accordance with clause 3 of the agreement. In case the tenderer/contractor refuses to deposit Additional performance security (APS) then his bid will be rejected by the sanctioning authority and earnest money shall be forfeited."

(2) If the tenderer, whose tender has been accepted, and after signing the agreement, (i) does not start regular actual physical items of work within 25% (twenty five percent) of the time allowed for completion, or abnormally slowdown the work or (iii) abandons the work, or (iv) merely goes on applying for extension of time; the Commissioner/E.E. shall serve a "show cause" notice with details to the contractor in this regard and if the contractor does not reply, or if his reply is considered not satisfactory (at the sole discretion of the Commissioner /E.E.), his earnest money and the performance security money or the Bank Guarantee in this regard shall be forfeited in favour of the MUNICIPAL CORPORATION BHILAI CHARODA. If the contractor has committed a similar default on earlier occasion (s) in previous three consecutive years the contractor shall be debarred from participating in any future tender of any MUNICIPAL CORPORATION BHILAI CHARODA for a period of 2 (two) years from the date of such order, by the authority which had registered him/her.

Such orders & action shall be final binding and conclusive

(3) Detailed programme of Construction:

(i) Within 15 days of issue of order to start work, the contractor shall submit in the prescribed proforma a detailed construction programme month wise mentioning start and completion of each item/event involved in the due performance of the contract For contract more than 10 Crores Contractor shall also submit detailed programme month wise for

(a) Materials procurement

(b) Their transport arrangement to worksite with details of No. of truck/tippers

(c) Detailing of construction plants & equipments

(d) Cash flow/revised Cash flow

(ii) The contractor shall submit in the first week of each month a statement of **“target vis-à-vis actual performance”** of each item/event with slippage, if any; mentioning reasons of slippage and proposal for

revised construction programme to complete the same in targeted date or validly extended date. Failure to submit this monthly statement for 4(four) months can be treated as “fundamental Breach of Contract” and can result in invoking clause 3 of the conditions of contract.

(4). Performance Guarantee: (For BT Road)

(i) The contractor shall also be responsible for performance of work carried out by him for a period of 36 (Thirty Six) month beyond the completion of work for which performance security has to be furnished by him @ 5%(five percent)of amount of contract. For this purpose contractor has to submit to the department a Bank Guarantee of 5% amount of the value of work done on every running and final bill payable to him.

For Road Work the defects Liability Period will be 3 year from the date of completion in case where the bituminous thickness in equal to or more than 40mm. however in case of road works where bituminous thickness in less than 40mm. the Defect Liability Period is One year from the date of completion of work for which performance security has to be furnished by him @ 5% (five percent) of amount of contract. for this purpose contractor has to submit to the department a bank Guarantee of 5%.

If contractor fails to submit bank guarantee of 5% amount of the gross bill, then 5% amount of bill shall be deducted from his running and final bill payment. However, the contractor can get refund of such performance cash security amount deducted if he submits appropriate bank guarantee valid for the period as stated above or 36 (Thirty Six) month **or One Year (as the case may be)** after actual completion.

If require, the Executive Engineer shall ask the contractor to extend the validity period of the Bank Guarantee(s) for such period which he considers it proper and the contractor shall extend the validity period of such Bank Guarantee accordingly. If the contractor fails to extend the period accordingly, the Executive Engineer shall encash the B.G. before the expiry of the validity period.

- (ii) The contractor shall have to carry out all necessary "Rectification" of defects noticed, caused due to any reasons at his own cost within such reasonable period mentioned in such communication notice from the Executive Engineer to him.

NOTE:- " Contractors are advised to go through the Notice Inviting tenders & the tender/P.Q./Bid Capacity document thoroughly. Certificates, Annexure, Enclosures as mentioned in the document will have to be submitted by the tenderers strictly in the prescribed format, at the time of submission of Technical/Financial bid, failing which the contractor shall disqualify for the work & his financial offer shall not be opened and no representation, appeal

or objection, what so ever in this regard shall be entertained by the department.”

राज्य सरकार के किसी भी विभाग में काली सूची या डिबार निविदाकारों की विभाग के किसी भी निविदा में भाग लेने का अधिकार नहीं होगा। निविदाकार द्वारा यह भी शपथ-पत्र देना होगा कि वे भारत सरकार/अन्य राज्यों के राज्य सरकार/राज्य सरकार के किसी भी विभाग में काली सूची में नहीं डाले गए हैं या डिबार नहीं किये गये हैं।

GENERAL RULES & CONDITIONS OF CONTRACT

Definition

1. The contract means the documents, forming the notice inviting tenders and tender document submitted by the tenderer and the acceptance thereof including the formal agreement executed between the E.E., Municipal Corporation, BHILAI CHARODA and the Contractor.
2. In the contract the following expressions shall unless otherwise required by the context have the meanings hereby respectively assigned to them:-
 - (a) The expression "works" or "work" shall unless thereby mean something either in the subject or context repugnant to such construction be construed and taken to mean the works or by virtue of the contract contracted to be executed whether temporary or permanent any whether original, altered, substituted or additional.
 - (b) The "site" shall mean the land and/or other places on, into or through which work is to be executed under the contract or any adjacent land path or street through which work is to be executed under the contract or any adjacent land, path, or street which may be allotted used for the purpose of carrying out the contract.
 - (c) The E.E., Municipal Corporation, BHILAI CHARODA and his successors in office.
 - (d) The "Engineer-in-Charge" means the Executive Engineer or the Assistant - Engineer as the case may be who shall supervise and be in charge of the work and who shall sign the contract on behalf of the Municipal Corporation
 - (e) "Municipal Corporation" shall mean the Municipal Corporation, BHILAI CHARODA.

Note : "Words" importing the singular number include plural number and vice-versa.

Clause 1 - SECURITY DEPOSIT - The person whose tender may be accepted (hereinafter called the contractor which expression shall unless extended by or repugnant to be contract include his heir executors, administration, representative and assigns) shall permit Municipal Corporation, BHILAI CHARODA at the time of making any payments to him for the value work done under the contract to deduct the security deposit as under.

The Security Deposit to be taken for the due performance of the contract under the term & conditions printed on the tender form will be the earnest money plus a deduction of percent from the payment made in the running bills, till the two together amount to percent of the cost of work put to tender or 5 percent of the cost of the work executed when the same exceeds the cost of work put to tender.

Clause 2 COMPENSATION FOR DELAY:-

The time allowed for carrying out the work, as entered in the tender form, shall be strict observed by the contractor and shall be deemed to be the essence of the contract and shall be

reckoned from the fiteenth day after the date on which the order to commence the work is issued to the contractor, for a work where completion is upto 6 months.

For works, for which the completion period is beyond six months.

The period will be recknoed from the thirteenth day after the date on which the order to commence the work is issued to contractor.

The work shall through the stipulated period of contact be proceeded with all due diligence keeping in view that time is the essence of the contract. The contractor sall be bound in all cases, in which the time allowed for any work exceeds one month, to complete 1/8th of the whole work before 1/4th of the whole time allowed udner the contract has clapsed 3/8th of the work before 1/2 of such time has elapsed and 3/4th of the work before 3/4th of such time has elapsed. In the event of the contractor failing to comply with the above conditions, the Executive Engineer shall levy on the contractor, as compensation an amount equal to: 0.5% (zero point five percent) of the value of work(Contract sum) for week of delay, provided that the total amount of compensation udner the provision of the clause shall be limited to 6% (six percent) of the value of work (Contract sum). Provided further that if the contractor fails to achieve 30% (thirty per cent) progress in1/2 (half) of original or validity extended period of time (reference clause 5 below) the contract shall stand terminated after due notice to the contractor and his contract finalised, with earnest money and or security deposit forfeited and levy of further compensation at the rate of10% of the balance amount of contractor left incomplete, either from the bill, and or from available security/ performance guarantee or shall be recovered as "Arrears of land revenue".

The decision of the Commissioner , Municipal Corporation, BHILAI CHARODA in the matter of grant of extension of time only (reference clause 5 below) shall be final, binding and conclusive. But he has no right to change either the rate of compensation or reduce and or condone the period of delay-once such an order is passed by him (on each extension application of the contractor). It shallnot be open for a revision.

Where the Engineer-in-charge decides that the contractor is liable to pay compensation for not giving proportionate progress udner this clause and the compensation is recommended during the intermediate period, such compensation shall be kept in deposit and shall be refunded if the contractor subsequently makes up the progress for the lost time, within the period of contract including extension granted, if any, failing which the compensation amount shall be forfeited in favour of the Municipal Corporation.

Clause 3:-

Action when the work is left incomplete abandoned or delayed beyond the time limit permitted by the Executive Engineer:-

- (i) The Executive Engineer may terminate the contract if the contractor causes a fundamental breach of the contract.
- (ii) Fundamental breach of contract shall include, but not be limited to, the following :-

(a) The Contractor stops work for four weeks, when no stoppage of work is shown on the current programme or the stoppage has not been authorised by the Executive Engineer.

(b) The Executive Engineer gives notice that failure to contract a particular defect is a fundamental breach of contract and the contractor fails to correct it within reasonable period of time determined by the Executive Engineer in the said notice.

(c) The contractor has delayed the completion of work by the number of weeks (12 - Twelve weeks) for which the maximum amount of compensation of 6% of contract sum is exhausted.

(d) If the contractor has not completed at least thirty percent of the value of construction work require to be completed in half of the completion period (including validity extended period if any).

(e) If the contractor fails to appoint the technical staff and if appointed do not function properly for 4 weeks even after due written notice by the Executive Engineer.

(f) If the violates labour laws.

(g) Any other deficiency which goes to the root of the contract Performance.

(iii) If the contract is terminated , the contractor shall stop work immediately, make the site safe and secure and leave the site as soon as reasonably possible.

(iv) The Executive Engineer shall cause recording and checking of measurements of all items of work done (taking into account quality and quantity of items actually executed) and prepare the final bill after adjusting all previous outstanding dues. Such recording of measurements shall be done after due notice regarding time and date of recording measurement and directing the contractor to either remain present himself or his authorised representative so as to satisfy himself that the recording of measurement is just and proper. Failure on his parts either to attend and or refusing to acknowledge the measurement so recorded in the department measurement book, shall be at his solew risk and responsibility.

(v) In addition to the provision contained in clause 2 above the Executive Engineer shall forfeit the earnest money and or security deposit and further recover/ deduct/ adject a compensation @10% (ten percent) of the balance value of work left incomplete either from the bill, and or from available security/ performance guarantee or shall be recovered as "Arrears of land revenue".

Power to take possession of or require removal of Materials Tools and Plants or sale of Contractor's Plants etc.:-

Clause 4 :-

_____In any case in which any of the powers conferred upon the Executive Engineer by clause-3 hereof shall have become exercisable the same shall not be exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereon and such power's shall notwithstanding be exercisable in the event of any future case of default by the contractor for which by any clause or clauses hereof he is declared liable to pay compensation shall remain unaffected. In the event of the Executive Engineer putting in force either of the power clause 3 vested in him under the preceding clause he may, if he so desires, take possession of all or any tools, plant materials, and stores in or upon the works, or the site thereof or belonging to the contractor or procured by him and intended to be used for the execution of the work or any part thereof paying or allowing for the same in account at the contract rates, or in case of these not being applicable, at current market rates to be certified by Executive Engineer, whose certificate thereof shall be final, otherwise the Executive Engineer may be notice in writing to the contractor or his clerk of the works foreman or authorised agent require him to

be entitled to receive a monthly payment proportionate to the part thereof approved and passed by the Engineer-in-charge whose certificate of such approval and passing of the sum so payable shall be final and conclusive against the contractor. But all such intermediate payments shall be regarded as payments by way of advances against the final payment for works actually done and completed and shall not preclude the requiring of bad unsound and imperfect or unskillful work to be removed and taken away and reconstructed or erected or be considered as an admission of the due performance of the contractor or any such part thereof, in any respect or the accruing of any claim, nor shall it conclude determine or affect in any way the powers of the Engineer-in-charge under these conditions or any of them as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. The final bill shall be submitted by the contractor within one month of the date fixed for completion of the work, otherwise the Engineer-in-charge certificate of the measurement and of the total amount payable for work accordingly shall be final and binding on all parties.

BILL TO BE SUBMITTED MONTHLY

Clause 8 :-

A bill shall be submitted by the contractor by 15th day of each month for all works executed by him till the end of previous month less the gross amount received by him till the last previous month. This bill must be supported by records of detail measurement of quantities of all executed items of work along with true copies of record and result of all tests conducted in the previous month (date wise). The Executive Engineer shall take or cause to be taken the requisite measurement for purpose of having the same verified/ checked by the sub-Engineer and sub-Executive Engineer concerned for quantity, quality and specification and examining all the "test results" and record the same in the Department measurement book, based on which record measurement bill shall be corrected/ prepared afresh. The contractor shall sign the measurement and the bill. The Executive Engineer shall pay running bills by 25th day of the month subject to availability of the funds.

If the contractor fails to submit the bill or before the day prescribed the Executive Engineer after waiting for another 15 days shall depute a subordinate to measure the said work in the presence of contractor and or his authorised Engineer/ Representative, whose counter signature to the measurement recorded with quantity and quality remark will be sufficient proof for acceptance of the same and shall be binding on the contractor.

All such running bill payments are by way of "Advances" and shall be subject to final adjustment.

BILL TO BE ON PRINTED FORMS :

Clause 9 -

The contractor shall submit all bills on printed forms to be had on application at the office of the Engineer-in-charge and the charges in the bills shall always be entered at the rates specified in the tender or in the case of any extra work ordered in pursuance of these conditions, and not mentioned or provided for in the tender at the rates hereinafter provided for such work. The deduction or addition as the case may be of the percentage will be calculated on the amount of the bill for the work done after deducting the cost of materials supplied departmentally at rates specified in the agreement.

RECEIPTS TO BE SIGNED BY PARTNERS OF PERSONS HAVING AUTHORITY TO DO SO :-

Clause 12 :-

The contractor shall execute the whole and every part of work in the most substantial and workman like manner, and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly fully and faithfully to the designs, drawings and instructions in writing relating to the work signed by the Engineer-in-charge and lodged in his office and to which the contractor shall be entitled to have access at such office or on the site of the work for the purpose of inspection during office hours and the contractor shall if he so requires be entitled at his own expense to take or cause to be made copies of the specifications and of all such designs, drawings and instructions as aforesaid.

MORTH/RC specifications for road and bridges, specifications for rural roads and other I.R.C. publications and their manual, latest CPWD specifications/ I.S.I. codes for buildings or special specifications whenever enclosed separately shall apply in the case of any variance the following order of precedence shall prevail :-

- Specifications as per NIT
- Specifications as per S.O.R.

MORTH/IRC specifications for road and bridges, specifications for rural roads and other I.R.C. publications and their manual, latest CPWD specifications/ I.S.I. codes for buildings or special specifications whenever enclosed separately.

Mode of measurement for building shall be as provided in the S.O.R. applicable to the contract. Where such mode of measurement is not specified in the S.O.R. it shall be done as per I.S.I. Code of building measurement is nor specifically mentioned in the N.I.T. the same will get precedence over all the above.

Clause 12-A :-

In respect of all bearings, hinges or similar part intended for use in the superstructure of any bridge, the contractor shall, whenever required, in the course of manufacture, arrange and afford all facilities for the purpose of inspection and test of all or any of the part and the material used therein to any officer of the Directorate of inspection of the Ministry of works production and supply of the Government of India and such bearings, hinges or similar parts shall not be used in the superstructure of any bridge except on production of a certificate of acceptance therefrom the Directorate of inspection. All inspection charges will be payable by the contractors. (This clause may be struck off in the tender is not for bridge work)

VARIATIONS :

Clause 13

PAYMENTS FOR VARIATIONS

Additions, Alterations in Specifications and Designs.

The Chief Municipal Officer shall have power to make any alterations in, omissions from, additions to, or substitutions for, the original specifications, drawings, designs and instruction, that may appear to him to be necessary or advisable during the progress of the work, and the contractor shall be bound to carry out the work

in accordance with any instruction which may be given to him in writing, signed by the Commissioner and such alterations, omissions, additions or substitution shall not invalidate the contract and any altered, additional works, or substituted work, which the contractor may be directed to do in the manner above specified as part of the work; shall be carried out by the contractor on the same conditions in all respects on which be agreed to do the main work and at the same rates as are specified in the tender for the main work, provided the total value of all such increased or altered or substituted work **does not exceeds 25% (Twenty five percent)** of the amount of administrative approval. If such total value **exceeds 25% (Twenty five percent)** it shall be open to the contractor either to determine the contract or apply for extension. But in no case the contractor shall be entitled to any rate other than the accepted rate.

RATES FOR WORKS NOT IN SCHEDULE RATES :-

If during the course of execution where it is found necessary that certain item/items of work not provided for in the S.O.R. required to be carried out then the Engineer-in-charge shall identify such item/ items including approximate quantity of the contract and ask the contractor to submit his rates in writing supported by the requisite data within a period of 7 days. The Engineer-in-charge shall obtain approval/ modification of the proposed rate from the E.E., Municipal Corporation, BHILAI CHARODA and communicate the same within a period of 4 weeks to the contractor, in case the contractor agrees to the above rates as fixed by the E.E., Municipal Corporation, BHILAI CHARODA then shall form a part of supplementary schedule of the contract agreement. If the contractor does not agree to the rate of the E.E., Municipal Corporation, BHILAI CHARODA then it shall be open for the Engineer-in-charge to get the work executed through any other agency. The contractor will not however be entitled to any compensation due to delay or hindrance or loss of profit accruing on account of this extra work wexecuted by alternative agency. If the contractor commences non-schedule work or incur expenditure in rehard thereto before the rates shall have been determined by the E.E., Municipal Corporation, BHILAI CHARODA then he shall be entited for payment for the work done as may be finally decided by the E.E., Municipal Corporation, BHILAI CHARODA. In the event of dispute the decision of the Mayor-in-Corporation, BHILAI CHARODA shall be final. Such a decision shall be given by the Mayor-in-Corporation within a period of 30 (Thirty) days and it shall be open to the contractor not to continue that item further. In such an event that item shall be got executed by other at such an approved rate by E.E., Municipal Corporation, BHILAI CHARODA.

Contractor may either determine his contract if variations exceeds 10 (ten)% of the contract value or may apply for extesion.

EXTENSION OF TIME IN CONSEQUENCE OF VARIATIONS

The time for the completion of work shall be extended in proportion of the variation of the work bear to the original contract work and certificate of Engineer-in-charge for any reason whatsoever require the whole or any part of the work as specified in the tender to be stopped for any period or shall not required the whole or part of the work to be carried our at all or to be carried out by the contractor he shall give notice in writing of the fact to the contractor who shall there upon suspend or stop the work totally or partially as the case may be.

NO CLAIM TO ANY PAYMENT OR COMPENSATION FOR ALTERATION IN OR RESTRICTION OF WORKS.

Clause 14 :

If at any time after the execution of the contract documents, the Engineer-in-charge shall for any reason whatsoever require the whole or any part of the work as specified in the tender to be stopped for any period or shall not required the whole or part of the work to be carried out at all or to be carried out by the contractor he shall give notice in writing of the fact to the contractor who shall there upon suspend or stop the work totally or partially as the case may be.

In any such case except as provided hereunder, the contractor shall have not claim to any payment or compensation what so ever no account of any profit or advantage which he might have derived from the execution of the work in full, but which he did so derive in consequence of the full amount of the work not having been carried out, or on account of any loss that he may be put to on account of materials purchased or for unemployment of labour recruited by him. He shall not also have any claim for compensation by reason of any altration having been made in the original specifications, drawing, designs and instruction, which may involve any curtailment of the work as originally contemplated. Where, however materials have already been purchased or agreed to be purchased by the contractor shall be paid for such materials at the rates determined by the Engineer-in-charge, provided they are not in excess of requirement and of approved quality and/ or shall be compensated for the loss, if any that the may be put to in respect of materials agrees to be purchased by him, the amount of such compensation to be determined by the Engineer-in-charge whose decision shall be final. If the contractor suffers any loss on account of his having to pay labour charges during the period during which the stoppage of work has been ordered under this clause, the contractor shall on application be entitled to such compensation on account of labour charges as the Engineer-in-charge, whose decision shall be dinal, may consider reasonable provided that the contractor shall not be entitled to any compensation on account of labour charges, if in the opinion of the Engineer-in-charge, the labour could have been employed by the contractor else where for the whole or part of the period during which the stoppage of the work has been ordered as aforesaid.

If the total duration of suspension of the work is more than the six months, then this suspension of the work will be considered as permanent stoppage of the work, and the cotractor can determine the contractor if he so desires.

ACTION AND COMPENSATION PAYABLE IN CASE OF BAD WORK :-

Clause 15 -

If at any time before the security deposit is refunded to the contractor, it shall appear to the Engineer-in-charge or his subordinate in charge of the work, that any work that any work has been executed with unsound, imperfect or unskillful workmanship or with material of inferior quality or that any materials or articles provided by him for the execution of the work are unsound, or of a quality inferior to that contracted for, or are otherwise not in accordance with the contract, it shall lawful for the Engineer-in-charge to intimate this fact in writing to the contractor and then notwithstanding the fad that the work, materials or articles complained of may have been Inadvertently passed, certified and paid for contractor shall be bound forthwise to rectify or remove and reconstruct the work so specified in whole or in part, as the case may require, or if so required shall remove the materials or articles so specified and provide other proper and suitable materials or articles at his own proper charge and cost, and in the event of his failling to do so with in a period to be specified by the Engineer-in-charge in the written intimation aforesaid, the contractor shall be liable to pay compensation at the rate of one percent onthe amount of contract put to tender every day not

exceeding ten days, during which the failur so, continues and in the case or any such failure the Engineer-in-charge may rectify or remove and re-execute the work or remove and replace the materials or articles complained of as the may be at the risk and expense in all respects of the contractor should the Engineer-in-charge consider that any such inferior work or materials as described above may be accepted or made use of it shall be within his discretion to acept to the same at secured rates as he may fix therefore.

WORK TO BE OPEN FOR INSPECTION CONTRACTOR OR RESPONSIBLE AGENT TO BE PRESENT

Clause 16 -

All work under or in course of executed in pursuance of the contract shall at all time be open to the inspection and supervision of the Engineer-in-charge and his subordinates and the contractor shall at all time during the usual working hours, and at all other times at which reasonable notice of the intention of the Engineer-in-charge or his subordinate to visit the work shall have been given to the contractor, either himself be present to receive orders and instruction or have a responsible agent duly accredited in writing present for that purpose, orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

NOTICE TO BE GIVEN BEFORE WORK IS COVERED UP :

Clause 17 -

The contractor shall give not less than five days notice in writing to the Engineer-in-charge or his subordinate in charge of the work covering tip or otherwise placing beyond the reach or measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is so covered up or placed beyond the reach of measurement, any work without the consent in writing of the Engineer-in-charge or his subordinate in charge of the work and if any work shall be covered up or placed beyond the reach of measurement with out such notice having been given or consent obtained the same shall be uncovered at the contractors expenses, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.

Explanation -

(a) Fair wage means wage(s) whether for time or piece work notified during the period of execution of contract for the work and where such wages have not been so notified, the wages prescribed by the works Department SOR for that period.

(b) The contractor shall, notwithstanding the provisions of any contract to the contrary, be liable to pay a fair wage to labours indirectly engaged on the work including any labour engaged by his sub-contractors in connection with the said work, as if the labourers had been immediately employed by him.

(c) In respect of labour directly or indirectly employed on the work for the performance of the contractor's part of this agreement, the contractor shall comply with or conform to any clause to be complied with in the Labour Act in force.

(d) The Executive Engineer / Assistant Engineer shall have the right to deduct, from the money due to the contractor, any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfillment of the conditions of the contract for the benefit of the workers nonpayment of wages or deductions made from their wages, which are not justified by the terms of the contract or non-observance of the regulations.

(e) The contractor shall be primarily liable for all payments to be made under and for observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-contractors.

(f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract.

Clause 24 -

SUBLETTING OR WORKS :-

The contract may be rescinded, for subletting the work beyond permissible limits as per clause 7.1 of appendix 2.10 or if contractor becomes insolvent. The contractor shall not be assigned or sublet without prior sanction of the authority who has accepted the tender in writing. And if the contractor assigns or sublets his contract for more than permissible limits as per clause 7.1 of appendix 2.10 or attempts to do so, or becomes insolvent, commences any insolvency proceedings or makes any composition with his creditors, or attempts to do so or if any gratuity, gift, loan, perquisite, reward and advantage pecuniary or otherwise, shall either directly or indirectly be given, promised or offered by the contractor or any of his servants, agents or to any public officer or person in the employ of Government in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Executive Engineer may thereupon by notice in writing rescind the contract and the S.D. of the contractor shall thereupon stand

Upon receipt of written instruction or decisions, of Commissioner, Municipal Corporation the parties shall promptly without delay to comply such instructions or decisions. If the Commissioner, Municipal Corporation fails to give his instruction or decision in writing within a period of 15 (fifteen) days or mutually agreed time after being requested and/or if the part(es) is/are aggrieved against the decision of the Commissioner, Municipal Corporation the aggrieved party may within 30 days prefer an appeal to the Mayor-in-Corporation, who shall afford an opportunity to the parties of being heard and to offer evidence in support of this appeal. The Mayor-in-Corporation will give his decision within 30 (thirty) days, or such, mutually agreed period.

If any party is not satisfied with the decision of Mayor-in-Corporation he can file the petition for resolving the dispute through arbitration in the arbitration tribunal.

A reference to Arbitration Tribunal shall be no ground for not continuing the work on the part of the contractor payment as per original terms and conditions of the agreement shall be continued by the Executive Engineer in accordance with clause 8 above.

LUMP-SUM IN ESTIMATE :

Clause 29 -

When the estimate on which a tender is made includes lump sums in respect of part of the works, the contractor shall entitled to payment in respect of the items of work involved or the part of the work in the question at the same rates as are payable under this contract for such items or if the part of the work in question is not, in the opinion of the Engineer-in-charge, capable of measurement, the Engineer-in-charge may at the his discretion pay the lump sum amount entered in the estimates and the certificate in writing of the Engineer-in-charge shall be final and conclusive against the contractor with regard to any sum or sums payable to him under the provisions of this clause.

ACTION WHERE NO SPECIFICATION :

Clause 30 -

In the case of any class of work for which there is no specification as is mentioned in Rule the work shall be carried out in accordance with the specification approved by Mayor-in-Corporation contractor's percentage whether applied to net or gross amount's of bills

Clause 31 -

The percentage referred to at para 7 of the tender will be deducted from/ added to the gross amount of the bills for work done after deduction of the cost of materials supplied by the department.

CLAIM FOR QUANTITIES ENTERED IN THE TENDER OR ESTIMATE :

Clause 32 -

Quantities shown in the tender are approximate and no claim shall be entertained for quantities of work executed being either more or less than those in the tender of estimate. This is subject to the limitations as provided for in clause 13 and 14 above.

CLAIM FOR COMPENSATION FOR DELAY IN STARTING THE WORK:

In the case of Technical Audit consequent on which there is a recovery from the contractor no recovery should be made without orders of the Mayor-in-Corporation whose decision shall be final. All action under this clause should be initiated and intimated to the contractor within a period of Twenty four month from the date of completion of work.

DEATH OF PERMANENT INVALIDITY OF CONTRACTOR :

Clause 37 -

If the contractor is an individual or a Proprietary concern, partnership concern, dies during the currency of the contract or becomes permanently incapacitated, where the surviving partners are only monors the contract shall be closed without levying and damages/ compensation as provided for in clause 3 of the contract agreement.

DEATH OF PERMANENT INVALIDITY OF CONTRACTOR :

Clause 38 -

On the breach of any term or condition of this contract of said Commissioner, - Municipal Corporation shall be entitled to forfeit the Security deposit or the balance thereof that may at the time be remaining and to realise and retain the same as damages an compensation for the said breach but without prejudice to the right of the E.E. - Municipal Corporation to recover further sums as damages from any sums due or which may become due to the contract by Municipal Corporation or otherwise howsoever.
